EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Neil Gershon on 6/3/2010.

The application has been amended as follows:

In claim 1, line 11, after "flow," please add the following --wherein the device is composed of shape memory material and the first expanded position substantially corresponds to the memorized position of the device--.

In claim 2, lines 1-3, please delete the phrase "is composed of shape memory material and the first expanded position substantially corresponds to the memorized position of the device and the device."

In claim 3, lines 1-2, please delete the phrase "is composed of shape memory material and"

In claim 4, lines 1-2, please delete the phrase "is composed of shape memory material and."

In claim 12, line 9, after "therethrough," please add the following —wherein the vascular device comprises shape memory material and is expandable to a first memorized condition—.

In claim 13, lines 1-2, please replace the phrase "is comprises shape memory material and is expandable first to a memorized condition" with --is expandable--.

Application/Control Number: 10/706,685

Art Unit: 3774

Any inquiry concerning this communication or earlier communications from the examiner should be directed to ANN SCHILLINGER whose telephone number is (571)272-6652. The examiner can normally be reached on Mon. thru Fri. 9 a.m. to 4 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Isabella can be reached on (571) 272-4749. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
